VOLUNTEERS.

And Gen. App.

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay, &c. due him, and the captain or other COMMISSIONED officer commanding the company will certify in the act of the delivery of the duplicate certificates, on these certificates the Soldier is "entitled to" his discharge, and should also present his discharge to the Paymaster to have the payment entered on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his voucher the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. This endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the master roll, upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the report of these master rolls, and the Soldier receive any pay or allowance that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 3d Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Stoppages."

NOTE 5.—Bounty paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Soldier and Landress must be entered on the master roll on which the discharge is reported, &c. as reported, as well as the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—A Soldier who is in Hospital or on detached service his final statement should be reported to the Surgeon General, at Washington, D. C.

NOTE 1.—This book will be used for both enlistment and re-enlistment. It is to be kept in the recruiting office, and one to accompany the recruiting return of the superintendent (not the recruiting officer) to the Adjutant General, and one to accompany the accounts of the officer who pays bounty, etc. The Regiment and Company in which the soldier last served should be given on the back.

NOTE 2.—An enlistment holds to service. A muster-in must, in all cases, precede payment of pay, bounty, pension, etc. The muster-in roll must, in all cases, be filed in the Adjutant General's Office as evidence of muster-in. The mustering officer, commissary, or assistant commissary of musters, as the case may be, will countersign both enlistments as having mustered the soldier into the service of the United States before either of them is given to the disbursing officer.

And in case any of the officers, so authorized to take care of the effects of deceased officers and soldiers, should, before they have accounted to their representatives for the same, have occasion to leave the regiment or troop, he shall, before he does so, deposit in the hands of the commanding officer, or of the assistant quartermaster agent, all the effects of such deceased non-commissioned officer and soldier, in order that the same may be secured for, and paid to, their respective representatives.

NOTE 1.

The company commander will here add a statement of all the facts known to him concerning the disease or wound, or cause of disability of the soldier; the time, place, manner, and all the circumstances under which the injury occurred, or disease originated or appeared; the duty, or service, or situation of the soldier at the time the injury was received or disease contracted, stating particularly whether the injury was received or the disease contracted in the line of his duty; and whatever other facts may aid a judgment as to the cause, immediate or remote, of the disability, and the circumstances attending it.

When the facts are not known to the company commander, the certificate of any officer, or affidavit of other person having such knowledge, will be appended—as the surgeon in charge of a hospital, the officer commanding a detachment of recruits, &c., &c.

NOTE 2.

When a probable case for pension, special care must be taken to state the degree of disability—as $\frac{1}{2}$, &c., &c.; describe particularly the disability, wound, or disease; extent to which it deprives him of the use of any limb or faculty, or affects his health, strength, activity, constitution, or capacity to labor or earn his subsistence. The person will add, from his knowledge of the facts and circumstances, and from the evidence in the case, his professional opinion of the cause or origin of the disability. In case of discharges by Medical Inspectors, the last paragraph will state that the "discharge was given by consent of the soldier, after a personal examination, and for disability, the nature, degree, and origin of which are correctly stated in the within certificate."

Sec. 1260 Regulations, Edn. 1881.

Medical officers, in giving certificates of disability, are to take particular care in all cases that have not been under charge; and especially in epilepsy, convulsions, chronic rheumatism, derangement of the urinary organs, scabies, ulcers, or any obscure disease liable to be feigned or purposely produced; and in no case shall such certificate be given until after a personal examination, and to detect any attempt at deception.

DIRECTIONS.

Certificates will be made out in duplicate by the soldier's commander, or other officer commanding the separate detachment to which he belongs and sent by him to the surgeon who has charge of the hospital where the soldier is detained. The surgeon will sign the surgeon's certificate, and forward it to the regimental, detachment, or post commander, who will sign his action endorsed thereon. Should the person be discharged from the hospital, or if the certificate is sent to the corps, detachment, or other commander, or if the person is discharged, the certificate will be sent to the surgeon who has charge of the hospital where the soldier is detained.

After having received the action of the highest authority, the certificates are required to be sent to the surgeon who has charge of the hospital where the soldier is detained, and the surgeon will sign his action endorsed thereon. Should the person be discharged from the hospital, or if the certificate is sent to the corps, detachment, or other commander, or if the person is discharged, the certificate will be sent to the surgeon who has charge of the hospital where the soldier is detained.

VOLUNTEERS.

Dud Nov 1/62

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other COMMISSIONED officer commanding the company will certify to the act of the delivery of the duplicate certificates; on these certificates the Soldier is "entitled to" his discharge, and should also present his discharge to the Paymaster to have the payment entered on it. This discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his voucher the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and entered with a statement to this effect by the officer. The officer should exhibit a final statement of the time for which the Soldier was pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the regiment, who will enter all the data necessary to a full accounting of the Soldier's account on the muster roll upon which the Soldier's discharge is reported. The descriptive list will then be delivered. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these muster rolls, and the balance thereon may or may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the AG Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Expenses."

NOTE 5.—Bounty paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Soldier and his dependents must be entered on the muster roll on which the discharge is reported. If it is omitted, a statement of the amount, otherwise the amount should be entered from the proper source.

NOTE 7.—The blank will be used for drafted volunteers and drafted men, as well as for others.

NOTE 8.—The blank will be used for drafted volunteers and drafted men, as well as for others.

NOTE 1.—This blank will be used for both enlistments and re-enlistments—enlistment of veterans, etc., etc., in the volunteer service. They will be made out in duplicate in all cases—one to accompany the recruiting return of the superintendent (not the recruiting officer) to the Adjutant General, and one to accompany the bounty of the officer who pays bounty, &c. The Regiment and Company in which the soldier last served should be given on the back.
NOTE 2.—An enlistment holds to service. A muster-in must, in all cases, precede payment of pay, bounty, pension, etc. A muster-in roll must, in all cases, be filed in the Adjutant General's Office as evidence of muster-in. The mustering officer, commissary, or assistant commissary of musters, as the case may be, will countersign both enlistments as having mustered the soldier into the service of the United States before either of them is given to the disbursing officer.

NOTE 1.

The company commander will here add a statement of the facts known to him concerning the disease or wound, cause of disability of the soldier; the time, place, manner, and all the circumstances under which the injury occurred, or disease originated or appeared; the duty, or place, or situation of the soldier at the time the injury was received or disease contracted, stating particularly whether the injury was received or the disease contracted in line of his duty; and whatever other facts may aid in ascertaining the cause, immediate or remote, of the disability, and the circumstances attending it. When the facts are not known to the company commander, the certificate of any officer, or affidavit of other person having such knowledge, will be appended—as the person in charge of a hospital, the officer commanding a detachment of recruits, &c., &c.

NOTE 2.

When a probable case for pension, special care must be taken to state the degree of disability—as *4, 5, &c.*, &c.; describe particularly the disability, wound, or disease; extent to which it deprives him of the use of any limb or faculty, or affects his health, strength, activity, constitution, or capacity to labor or earn his subsistence. The company commander, from his knowledge of the facts and circumstances, and from the evidence in the case, his professional opinion of the cause or origin of the disability. In cases of discharge by Medical Inspectors, the last paragraph shall state that the "discharge was given by consent of the Medical Inspector, after a personal examination, and for disability of the nature, degree, and origin of which are correctly stated in the within certificate."

Regulations, Edit. 1861. The regulations, in giving certificates of disability, are to exercise particular care in all cases that have not been under medical treatment; and especially in epilepsy, convulsions, mania, derangement of the urinary organs, diabetes, ulcers, or any obscure disease liable to be feigned or purposely produced; and in no case shall such certificate be given until after sufficient time and examination to detect any attempt at deception.

DIRECTOR GENERAL

Certificates will be made out in duplicate by the soldier's company commander, or other officer commanding the company to which he belongs and sent by him to the surgeon who has charge of the hospital where the soldier is sick. The surgeon will fill up the surgeon's certificate, and forward these papers to the regimental, detachment, or post commander, who will forward them by his return enclosed thereon, through the proper authorities, to the Adjutant General's Office, or, if the troops are not attached to a regiment, detachment, or other command, or other authority to discharge enlisted men may be applied for.

After having received the notice of the highest authority, they are required to be sent to the Adjutant General's Office, if the discharge is for disability, or to the proper authority, if the discharge is for other cause. The Adjutant General's Office will forward the certificate to the proper authority, and the proper authority will forward the certificate to the proper authority.

NOTE 1.—This blank will be used for both enlistments and re-enlistments—enlistment of veterans, &c., &c. in the volunteer service. They will be made out in duplicate in all cases—one to accompany the recruiting return of the recruiting officer (not the recruiting officer) to the Adjutant General, and one to accompany the accounts of the officer who pays bounty, &c. The Regiment and Company in which the soldier last served should be given on the back.

NOTE 2.—An enlistment holds to service. A muster-in must, in all cases, precede payment of pay, bounty, pension, &c. A muster-in roll must, in all cases, be filed in the Adjutant General's Office as evidence of muster-in. The mustering officer, commissary, or assistant commissary of musters, as the case may be, will countersign both enlistments as having mustered the soldier into the service of the United States before either of them is given to the disbursing officer.

FINAL STATEMENT

OF

John D. Lynch
Reg't of *1st Vol Infantry*
Entered on *6-10-94*
Co. B. VOLUNTEER
and Nov 29/94

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other COMMISSIONED officer commanding the company will certify to the act of the delivery of the duplicate certificates; on these certificates the Soldier is "entitled to" his discharge, and should also present his discharge to the Paymaster to have the payment covered on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his voucher the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and entered with a statement to this effect by the officer. The endorsement should exhibit a full statement of the time for which the Soldier was awarded pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the Soldier, who will enter all the data necessary to a full and complete of the Soldier's account on the muster roll upon which the Soldier's discharge is reported. The descriptive list will then be returned to the Soldier. The object of this is, that the remaining portion of the muster roll account may be settled upon the receipt of these muster rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 1st Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Stoppages."

NOTE 5.—Bounty paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Soldier and Landworn must be entered on the muster roll, and when the discharge, death, desertion, &c., is reported, as well as the landworn statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his discharge, &c., will be reported to the Surgeon General, Washington, D. C.

NOTE 1.

The company commander will here add a statement of all the facts known to him concerning the disease or wound, or cause of disability of the soldier; the time, place, manner, and all the circumstances under which the injury occurred, or disease originated or appeared; the duty, or service, or situation of the soldier at the time the injury was received or disease contracted, stating particularly whether the injury was received or the disease contracted in the line of his duty; and whatever other facts may aid a judgment as to the cause, immediate or remote, of the disability, and the circumstances attending it.

When the facts are not known to the company commander, the certificate of any officer, or affidavit of other person having such knowledge, will be appended—as the person in charge of a hospital, the officer commanding a detachment of recruits, &c., &c.

NOTE 2.

When a probable case for pension, special care must be taken to state the degree of disability—as 1/2, 1/3, &c., &c.; describe particularly the disability, wound, or disease; mention to which it deprives him of the use of any limb, faculty, or affects his health, strength, activity, constancy, or capacity to labor or earn his subsistence. The pension will be paid, from his knowledge of the facts and circumstances, and from the evidence in the case, his professional opinion of the cause or origin of the disability. They will be made out in duplicate in all cases—one to accompany the recruiting return of the superintendent (not the recruiting officer) to the Adjutant General, and one to accompany the accounts of the officer who pays bounty, &c. The Regiment and Company in which the soldier last served should be given on the back.
NOTE 2.—An enlistment holds to service. A muster-roll must, in all cases, precede payment of pay, bounty, pension, &c. A master-in-charge roll must, in all cases, be filed in the Adjutant General's Office as evidence of muster-in. The recruiting officer, commissary, or assistant commissary of musters, as the case may be, will countersign both enlistments as having mustered the soldier into the service of the United States before either of them is given to the disbursing officer.

Colonel

I have the honor to acknowledge the receipt of your letters of the 19th inst, in regard to Benj F Maracle of Co 'F' 8th Ky Infy. I have never been able to procure copies of the muster out rolls of the 8th Infy, and in fact from the information I have gathered from officers of that regiment I do not think a muster out was made, but merely consolidation rolls. The 8th was consolidated with the 4th Ky M^o Infy, per Special Orders No 26. H^o 2nd Dep^t Cumb^l? dated Chattanooga Jan 26th 1864. Copy herein inclosed.

From this order, I would suppose the consoli-
dation rolls, are on file at Washington.
I have a copy of the muster in rolls
of this regiment on file. They were mustered
in at Lebanon Ky by Capt C C Gilbert, July
15th 1862. My file of muster in rolls of
organizations, is, I suppose as complete as
I can get them. But I am very much
in need of the following muster and rolls,
and again ask your kind assistance in
enabling me to procure copies: viz

All M O rolls of 6th Inf except Co A & C; wanted
" " " " 8th " "

" non veteran M O rolls of 28th Ky Inf " "

" M O rolls 32^d Ky Inf " "

" non vet M O rolls of the 2^d & 3^d Ky Cav " "

Cos A B C & D muster and rolls 14th Ky Cav " "

All non veteran M O rolls of 12th & 18th Ky Inf " "

With the above exceptions
my file of muster and rolls, is complete.

I am thankful for your suggestions in regard to muster in rolls;

If you desire a certificate from the muster in roll of Co 'F' in case of Ben, F' Maracle, notify me: The record as given by Col Breck agrees with the muster in roll on file in this office excepting his age which is reported 23 instead of 28.

In regard to the 8th Inf muster out or Consolidation, I suppose, account was only given of such as were present for transfer, and all record of such as died, or were discharged previous to date of consolidation is lost. Any suggestions you may make, that will enable me to ascertain the exact facts in this case, will be kindly received.

Adjutant General's Office,

Washington, June 11th 1866.

Sir:

In reply to your letter requesting a Descriptive List of Private in Company F, 8th Regiment of Ky Volunteers. I have the honor to furnish the following "Descriptive List," obtained from the records of this Office: which, from the want of the necessary data, (which is in the possession of the Company Commander,) is only "partial."

NAME, RANK AND REGIMENT, DESCRIPTION, &c.
Private Maricle, a Private in Company F, 8th Regiment of Ky Volunteers, is 28 years of age; but no further "description" can be obtained from the files of this Office. He was enrolled on the 17th day of Oct, 1861, at the town of London in the State of Ky by J. D. Wente, and mustered into the service of the United States on the 15th day of Jan, 1862, at the town of Lebanon in the State of Ky by Capt. Gilbert, to serve for the period of 3 years, or "during the war."

ACCOUNT OF PAY.

It is stated on the Muster Rolls of his Company for the months of May June July & August 1862 that he was last paid by Paymaster Major Jordan to the 31st day of Dec, 1861.

ACCOUNT OF CLOTHING.

The files of this Office furnish no account of clothing; it must be obtained, if obtained at all, from his Company Commander.

REMARKS.

On same Roll he is reported left in Hosp^l at Nashville Tenn March 21st 1862. name dropped from subsequent rolls of Co. I think he remained there on "the quarter out" till the name does not appear. I have no knowledge of his whereabouts.

Very respectfully,

Your obedient servant,

Sam. D. Bush

Assistant Adjutant General.

This "Partial Descriptive List" is given in order that the soldier may be discharged at once, without waiting for a descriptive list from his company commander; and, having been used by the proper officer to make out the soldier's final statements, should be endorsed with a statement to that effect by this office. This endorsement should exhibit a full statement of the time for which the soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the commander of the soldier, who will enter all the data necessary to a full understanding of the soldier's account on the muster roll upon which the charge is reported. This list will then be destroyed. The object of this is, that the remainder of the soldier's account may be settled by the muster rolls of these muster rolls, and the soldier receive pay or allowances that may be due him at the time of his discharge, and which may not be settled by the final statements from the fact that this list is incomplete or "partial."

The back of his head was hurt badly, as well as his ankles. I was in the wagon with him at the time. The accused had a pass from the Regimental Surgeon to go with the wagon, or to keep along the best he could. I was of the same party. The accused was hurt by jumping out of the wagon, about the middle of Octr. 1861.

Ass Adj Gen & Chief of Staff

Sir

I have the honor to report that according to Special
Field orders No 21 Department of the Cumberland I
proceeded to the Counties of Knox and Wilkes
arriving at Paulsboro on the 28 December and
immediately entered on duty according to orders
I succeeded in bringing up 19 men who had been
absent from the Regiment and 3 new recruits.

I brought up every man I could get to see. There is
28 men belonging to my Company that are still absent
I could not get to see them from the fact the Rebel
cavalry were scouring the country.

I left Paulsboro on the 9th January on my return
and arrived at Louisville on the night of the 13th
January and reported at Head Quarters Louisville
arriving for transportation but could not get it
from the fact the Rail Road was torn up.

On the 16th January I was ordered to take Command
of a detachment of 50 men and proceed to Nashville
on the Steamer "Gatta" (a copy of which order is enclosed)
I arrived at Nashville on the 29th January and being
sick I remained by advice of physician until
February 9th. (I enclose Certificate of Surgeon)

was at my Regiment on the evening of the 10th
and expects for duty

Sir.

In obedience to orders
from Head Quarters 21st A. C. May 21st 1863, requiring
a statement of the facts connected with the
absence of Lt. Col. R. Loder formerly of this
Regiment and now Colonel of 7th Ky Infy Vols.
I respectfully state that he was wounded
in the Battle of Stones River on Friday
evening Jan'y 2^d and afterwards did not
rejoin his Regiment until May 1st. He
claimed to have been under medical treat-
ment from the time he received his wound up to
the time he was granted a leave of ab-
sence from Dept. H's Grs. March 30, 1863 for
twenty days. A copy of the leave of
absence is now on file at the H's Grs of
this Regt. Also whether he was absent by

competent authority up to 30th March I am
not apprized. nor has a copy of any
order authorizing his absence up to the time
been received by the Commanding Officer
of this Regt. I herewith enclose a
copy of Special Field Order No 183 Head Qrs

from the restrictions placed upon him
regarding pay, which I suppose you
have not seen. Col May was recently
commissioned by the Governor of Kentucky

My name applied to me for a Certificate on
which to base his resignation. I certify that
our Surgeon examined him and find that he
is unable to perform military duty on account
of a wound in the back received on
the 11th of December in Tennessee while in

his duties for several months and respectfully
recommend that his resignation be accepted.

Having been unable to do but little duty
 since April last and still being unable to perform the
 duty assigned me in the field. Owing to disease of
 long standing and being fully convinced that I can not
 obtain my health and remain in the field. I most
 respectfully through my Intermediate Commanders tender
 my resignation as Captain Company C 8th Reg 1st Vol Infantry
 For further particulars I would most respectfully refer
 to Certificate I have no government property in my
 possession. I have not been absent without leave. There
 are no charges against me to affect my pay. I have
 been paid to and including the 28th Day of February 1865

I have the honor to be, Sir, your most obedient

Captain William McDaniel of Company (I) 8th Regt 1st Vol Infantry
 applied to me for a certificate upon which to ground his
 resignation. I certify that having carefully examined this
 man I find that he has chronic Eleet. of nearly twelve
 months standing, which causes weakness of the loins, and
 general debility, which unfits him for field service. He has at
 times been unable for several months to make a march, but has to be
 transported whenever the Regt moves. He has sticking of the
 joints, which causes partial stiction & the passage of his
 urine causes much pain. I would respectfully recommend that his
 resignation be accepted.

I have the honor to send you

mander will certify to that fact on this list, and also to the time he has paid due for having been so mortally on his own horse.

When a soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the soldier these statements, and endorsed with a statement to this effect by the officer. This endorsement should exhibit a full statement of the time for which the soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the soldier, who will enter all the data necessary to a full understanding of the soldier's account on the muster roll upon which the soldier's name is reported. The descriptive list will then be destroyed. The object of this is that the remaining portion of a soldier's account may be settled upon the receipt of these final statements, and the soldier receive any pay or allowances that may be due him at the time of his discharge, and which may have been incomplete. These accounts from the fact that they are reported to the Adjutant of the Treasury list for back pay, &c., are sent to the Adjutant General's Office. Where a soldier dies, should be reported on the final statements, in duplicate, to the Adjutant General, Washington, D. C.

10. Men drafted will be considered as mustered in from the date of their draft, and will be mustered for pay on the usual rolls for Volunteers. Their pay commences on the day they report for duty under their summons from the Provost Marshal, which date should be noted on the first Muster Roll, under the heading of "Remarks." On the same line as the soldier's name, under the heading "Joined for Duty and Enrolled.—Commencement of First Payment by Time," will be written the word *drafted*, or *substitute*, as the case may be; and under the heading "When Mustered in" will be given the date when the soldier was drafted, or, if a *substitute*, when enlisted, (*substitute* under "Where Enrolled Act, are mustered in by enlistment," under "Where Mustered in," will be given the place from which drafted, (or if a substitute, where enlisted,) under the heading "By whom Mustered in," will be given the No. of the Enrollment District from which he was drafted, and the State to which it belongs, thus: 4th *D. Mass.*; (meaning 4th Enrollment District, State of Massachusetts.) Or if a substitute, the name of the officer enlisting him. (When enlisted by Board of Enrollment, the name of the Provost Marshal of the Enrollment District.)

11. A separate descriptive list should, as a general rule, be given for each man;

12. Descriptive lists must, in all cases, be signed by COMMISSIONED officers; not by enlisted men acting as such.

State John A. Mills, Asst. Surgeon of the 8th Regt.
having applied for a certificate on which to
present an application for leave of absence, I do hereby
advise that I have carefully examined this officer, and
find that he is now suffering with intermittent
fever and has been for some time, and that, in
my opinion, he is, in my opinion, unfit for
duty. I further declare my belief that he will not be
able to resume his duties in a brief period that three or
four weeks is not a great length of time.

Adjutant General.

Colonel.

When I entered the
army on Nov 15th 1861 as adj. Surgeon of this Regiment. I
was in partnership in the practice of medicine with my Grandfather
owing to my sudden departure from home and to the fact that my
Grandfather has since moved from the county where we
practiced our profession, a great deal of our business was left
undispatched, thereby rendering him & myself, subject to losses
that will fall heavily upon us.

My Grandfather is very old, and wholly unable to attend
to our business, he moved from Kentucky to
Tennessee after our appointment to the Regt. - in a
room, to his advanced age - is unable to attend to the
business of our business. My losses on account
of Rebel Citizens who were indebted to me & have
escaped into the Rebel lines, have been very heavy -
and no doubt - but that I will continue to incur
losses in this manner - if I cannot be permitted to
return in order to attend to them - collect the debts,
make proper arrangements, so they can be speedily collected.

I am now requesting you to grant
me a leave of absence for twenty days - I am con-
fident that my absence will not result in any incommen-
surate Regiment, as I have an assistant & 2nd assistant Surgeon present
for duty. Besides the health of my Regt is comparatively
good - I have been with the Regt in the field since
its organization, except in case of illness - and have
endeavored at all times to faithfully discharge the duties
of my position - on this account as well as my being subject
to pecuniary losses, that would prove heavy upon me -
I am induced to ask this indulgence, and if it is granted
should I be needed in my Regt I will rejoin it im-
mediately upon my receiving a despatch from the
Commander

General -

I most respectfully ask
a leave of absence of thirty (30) days for the following
reasons. I wish to go to Kentucky, to make provision for
the support of my two single sisters, whom the calamities
of the war, has deprived of the means of support. They were
living with an Uncle upon the border of Kansas & Missouri, and
the frequent ^{raids} on that part of the country has deprived him of a
home. Consequently my sisters are without a home or means of
support. When I came into the army twenty five months ago
I left an unsettled partnership business with my Grandfather,
with whom I had been practicing my profession for several
years. About a year ago, I had a leave of absence of ten
days, allowed me to go to try & settle my affairs, but was
recalled, by a rebel raid, to leave home after being there
ten days which did not allow me to settle my business or to
make arrangements for having it attended to. When I came

I am unable to attend to affairs without my assistance. and the
 increasing infirmities of old age, have rendered him totally
 incompetent to attend to the settlement of our business if he
 were back in Kentucky. I cannot state the amount I will
 have if I am not allowed to go & attend to it, because many
 of those who were indebted to me, have gone off in the
 rebel army. I cannot tell how many of them, or whom -
 My Grandfather as well as myself need what can be collected
 for the debts owing to us, very much & I earnestly hope
 the leave of absence will be allowed me. My Regiment has
 nearly been consolidated into a Battalion & over half of them
 have been in the Veteran Service. They are in excellent
 health & Dr. Horton our surgeon is with the Regt.

What office address
 will be best -

Respectfully your obedi-
 ent son, John A. Mills -
 I am your truly & affly
 J. A. Mills

I have a favor to ask of you the
 time when you can be
 at home I will be
 glad to see you.

I am very much
 obliged to you

Dr. Mills' reg. has a good
 number of men who will
 be of use to you.

I am very much

STATE OF

TOWN OF

W. Daniel Massey born in Chapin
and born 1844 years,
 Do hereby acknowledge to have
been discharged day of March 1864,
 in the Army of the United States of America, for the
 term of one year, and was sooner discharged by proper authority: he was
 not paid any money, pay, rations, and clothing, as are, or may be, due to
 him by the Government. And I, John A. Smith do
 solemnly swear, that I will bear true faith and allegiance to the United States
of America, and that I will serve them honestly and faithfully against all their
 enemies or opponents whatsoever; and that I will observe and obey the orders of
 the President of the United States, and the orders of the officers appointed over
 me according to the Rules and Articles of War.

Witness my hand and seal, at Chapin this 1st day of March 1864.
John A. Smith Recruiting Officer.

I CERTIFY, ON HONOR, That I have carefully examined the above-named Volunteer, agreeably
 to the General Regulations of the Army, and that, in my opinion, he is free from all bodily defects and
 mental infirmity, which would in any way disqualify him from performing the duties of a soldier.

John A. Smith

 EXAMINING SURGEON.

I CERTIFY, ON HONOR, That I have minutely inspected the Volunteer, W. Daniel Massey
 according to his enlistment, and that he was entirely sober when enlisted; that, to the best of my
 knowledge and belief, he is of lawful age; and that, in accepting him as duly qualified to perform the duties
 of a Volunteer, I have strictly observed the Regulations which govern the recruiting service.
John A. Smith eyes, blue hair, fair complexion, is single feet
